ACADEMIC CREATIVE ENGAGEMENT™

(ACE)

Imagine using tennis to engage youth in education. ACE can help change behaviors and attitudes towards learning.*

> **COMBINES** the sport of tennis to math, literacy and nutrition activities
> **CONNECTS** to national academic standards
> **IMPROVES** educational outcomes
> **PROMOTES** teamwork and family involvement
> **TEACHES** problem-solving strategies and decision-making
> **INCLUDES** fun, engaging and experiential activities
> **DEVELOPS** stronger partnerships with schools and organizations

ACE is improving outcomes for kids at NJTLs throughout the country.
