

CLOUD FACTORY STEM TO-GO

DRIVING QUESTION: HOW DOES WEATHER AFFECT OUR MOODS?

WEATHER SING ALONG

How many different songs can you think of that feature weather in their titles? Which are your favorites?

Example: It's Raining, It's Pouring...

CLOUD DIARY

Do Sunny Days cheer us up? Does cloud cover affect our mood? Keep a cloud/weather journal for 5 days. You can either share your mood data with your family members or with your friends.

- Step 1: Write down the date.
- Step 2: Color in how much of the sky is covered by clouds.
- Step 3: Use an Emoji to indicate your mood.
- Step 4: Use the Cloud key to try to identify what type of cloud is present.
- Step 5: Take a guess about the next day's weather.

Hypothesis: Does good weather cause people to be in good moods? What do you think?

Date and Time	Shade in how much of the sky is covered by clouds	Use an Emoji to show your emotional feelings	Use the cloud key to identify the type of clouds	Using the sky's data, try to identify tomorrow's weather.
My Monday Example at 9:00 a.m.			Stratus	More Rain
